

NV EARTH

INNOVATIVE PRODUCTS FOR A CLEANER PLANET

BIO-BASED 2 Cycle Engine Oil

NV EARTH Bio-based 2-Cycle Engine Oil removes the petroleum base stocks found in conventional oils. It is a proprietary formulation of American made, plant ingredients, that deliver outstanding lubricity, removal of carbon deposits and increased RPMs. This product is designed to exceed JASO FD for superior engine protection, excellent detergency and reduced emissions. It is significantly less hazardous to plants, animals, and end users when compared to petroleum based products. **Safer** for employees, better lubrication for equipment and **safer** for the environment.
